

Subject	Assessment	Information about the course	This subject will suit...
<p>Technical Award in Fashion & Textiles</p> <p>The Technical award in Fashion & Textiles is a brand new exciting high quality qualification that will equip students with applied knowledge and real life practical skills.</p>  <p>Taught by Ms. S. Scoffings</p>	<p>There are three assessment units;</p> <p>Unit 1 (30%) <i>Skills demonstration</i> – Learners will create a number of small practical outcomes to demonstrate their competency in 12 core skills. This will include the transferable skills of teamwork.</p> <p>Unit 2 (30%) <i>Extended making project</i> – Learners will undertake an extended making project that showcases the skills they have developed in unit 1 and the knowledge and understanding they have acquired in unit 3. Learners will develop skills in planning and development, making, testing and evaluation and the transferable skills of communication.</p> <p>Unit 3 (40%) <i>Fundamentals of Fashion and Textiles (Exam)</i> – Learners will study the fundamentals of fashion & textiles, processes in industry, health & safety, materials & stick forms, tools & equipment, systems & control procedures etc.</p>	<p>The Fashion & Textiles Technical Award is more practical in nature than the old GCSE and will provide students with knowledge and highly sought after skills to prepare them for further study, apprenticeships and the work place.</p> <p>It is equivalent to a single GCSE and WILL be included in progress 8. Students with a Technical award qualification will be able to go on to study A levels or Vocational courses and will be considered by Colleges as EQUAL to a GCSE in fulfilling the entry requirements for a range of courses.</p> <p>During the course you will maintain a design portfolio and sketchbook and will be expected to keep a photographic record of all practical work.</p> <p>We also have great links with local colleges and universities and therefore you may have the opportunity to learn about and watch how a fashion show runs!</p>	<p>Those students that</p> <p>...like to solve problems with practical solutions.</p> <p>...can ‘think outside the box’ to generate innovative ideas</p> <p>...are interested in Textiles, Fashion and Product Design.</p> <p>... prefer a more practical approach to their learning.</p> <p>...want to go on to study A levels or Vocational courses</p> <p>The Fashion & Textiles Technical Award is ideal for both male and female students that enjoy a more practical style of learning.</p>
