

Subject	Assessment	Information about the course	This subject will suit....
<p data-bbox="103 209 360 240">Geography GCSE</p> <p data-bbox="118 284 479 392"><i>“A 21st century approach to learning about Geography”</i></p> <p data-bbox="103 507 472 616">Students can achieve grades 1-9 for successful completion of the course.</p>  <p data-bbox="103 1031 472 1102">Taught by Mr Heaney and Miss Gray</p>	<p data-bbox="510 209 992 352">Students will complete three different units over a two year course. The exams will follow in Year 11.</p> <p data-bbox="510 395 981 467">Unit 1 (37.5%): Unit 1 - Physical Geography</p> <p data-bbox="510 507 965 579">Unit 2 (37.5%): Unit 2 - Human Geography</p> <p data-bbox="510 619 965 655">Unit 3 (25%) Unit 3 - Fieldwork</p> <p data-bbox="510 767 1010 871">All 3 units will be assessed in 3 separate exams at the end of year 11.</p> <p data-bbox="510 919 1025 1174">Students will also have to complete 2 field-trips and will complete a piece of work based around each field trip. The students will then sit an exam based on their fieldwork rather than complete a piece of coursework/controlled assessment.</p>	<p data-bbox="1059 209 1648 312">Geography helps students to make sense of a complex and dynamically changing world around us.</p> <p data-bbox="1059 360 1648 464"><u>The geography course covers a broad range of topics within each unit students could cover: -</u></p> <p data-bbox="1059 507 1323 539">Unit 1 consists of:</p> <ul data-bbox="1111 552 1525 775" style="list-style-type: none"> • Water • Climate Change • Living in an Active Zone • Coasts • Changes to UK Geography • Cold environments <p data-bbox="1059 818 1323 850">Unit 2 consists of:</p> <ul data-bbox="1111 863 1440 1046" style="list-style-type: none"> • Tourism • Urban development • Globalisation • Population patterns • Global conflicts <p data-bbox="1059 1090 1323 1121">Unit 3 consists of:</p> <ul data-bbox="1111 1134 1648 1318" style="list-style-type: none"> • Students answering question about our fieldwork • Students being given a pre-release booklet and answering questions based on it. 	<p data-bbox="1682 209 2136 536">Geography is an education for life. Employers and universities value the broad range of transferable skills that geography delivers. Geography fits neatly with Science, Arts and Humanities. Geographers also tend to have very good ICT skills.</p> <p data-bbox="1682 584 2123 911">A GCSE in geography is excellent preparation for a career in town and city planning; armed forces; global business; resource and countryside management; tourism and recreation; environmental management and teaching.</p> <p data-bbox="1682 959 2123 1246">Many geographers have moved into general management careers and branch out into journalism. It is a subject that offers you a huge range of skills and opportunities and is always very attractive to prospective employers.</p>
