

MURRAY PARK SCHOOL

General Information

Murray Park is a dynamic and forward looking 11-16 mixed comprehensive school on the western fringes of the city of Derby. It is a Foundation Status school, but has a close working relationship with the local authority.

There are approximately 850 students on roll with a standard admission number of 220. The school serves the catchment areas of Mackworth and Mickleover, however we also welcome students from many areas across the city of Derby.

Our students reflect the full academic ability range and there is a huge breadth to the socio-economic status of our families. In addition to our daytime learning, we also have a thriving Adult Education programme.

Facilities

The school has some excellent facilities with extensive grounds and playing fields. The accommodation has been added to over a number of years and is generally well equipped. In recent years we have made a significant investment in ICT. All teaching staff are provided with a laptop and we have 40 interactive whiteboards; 6 fully equipped and networked ICT rooms; A Learning Support Suite; A MAC ICT suite and 5 sets of netbooks in English, Maths, Science, World Studies and MfL

All our curriculum areas are suited with specialist facilities including a CAD/CAM room, Performing Arts Centre (Cedar Park) and a relatively new Science facility. Our Hub, supervised by a very caring and supportive team is designed to support some of our most vulnerable students throughout their lessons and during their unstructured time.

The school had a successful Ofsted inspection in June 2014 which highlighted a number of very positive features. These suggested that the school was

'A nurturing environment where students are known as individuals and support is carefully tailored to their needs', 'That parents consider that their children make good progress' and that 'Students, including minority ethnic students, disabled students and those who have special educational needs, say they feel safe'.

The school has had success with recent initiatives and the staff have the passion and ambition to implement the educational changes that are occurring nationally, to ensure the school delivers a good education for all students. We aim to be an 'outstanding' school in a few short years.

School Ethos and Culture

We have high expectations of students and we encourage all students to work to achieve their target grades. We have a school dress code that all students are expected to wear. We strongly promote positive relationships, respect, tolerance and self-discipline.

Relationships and behaviour in the school are generally good and we have few permanent exclusions. We are committed to inclusion and we work with individuals that exhibit more challenging behaviour.

The school has strong policies through which it aims to ensure every student achieves the highest academic standards. We strive to provide a motivating and enriching learning environment where students develop responsibility; self-esteem and achieve their potential. There is a strong commitment in the school to continue to raise academic results further

Examination Performance

We are proud of our 2016 examination results, being close to or in some cases exceeding our own targets. 60% of our students achieved a grade of A*-C in both English and Maths with 53% achieving A* - C in 5 subjects including English and Maths. Our students made excellent progress in both of these subjects to exceed National Averages for expected and better than expected progress. There were also noted successes across all of our faculty areas.

This year we expect our students to reach our targets in all categories and this achievement will be as a direct result of the improvements in teaching and learning, the quality of our intervention and support strategies and the relevance and appropriateness of our curriculum.

Teaching and Learning

Murray Park considers the professional development of staff to be an essential element of the work of the school and is committed to the development of teaching and learning for all staff at all stages in their careers. Teachers starting their first post are supported through an induction programme, including on-site mentoring, group sessions and support through the LA "Package" and the University of Nottingham as well as regular lesson observations and constructive feedback sessions.

We have also previously introduced our RQT (Recently Qualified Teacher) scheme where staff in their early years of teaching work with staff on UPS to support the further development of good practice across the school, through action research and the embedding of skills. Most recently we have established the good to outstanding programme where staff are supported in their action research to develop their ideas and share good practice by our teaching and learning team

Our Assistant Headteacher with responsibility for teaching and learning as well as our teaching and learning coaches support staff individually and also through our dynamic CPD programme which runs most weeks throughout the school year. (All staff are expected to take up their entitlement of CPD throughout the year).

Specific programmes are also offered to "Aspirant Heads of Department" and existing "Middle Leaders". A number of teachers that have taken part in these programmes have now achieved internal or external promotions. Subject specific training and development is also offered through departments, linked to priorities identified in the School Improvement Plan. Individual objectives for professional development are also an important aspect of the school policy for Performance Management.

Pupil Care and Guidance

We believe that caring, supportive relationships help to inspire the confidence necessary for good academic and personal development. Consequently, emphasis is placed on establishing successful relationships between pupils, parents, staff and other members of the community. Our aim will always be to give the kind of sympathetic, individual attention that best promotes the welfare and progress of each pupil. We operate a horizontal year group system, which accommodates students from years 7 - 11; All teachers are expected to be form tutors and participate in pastoral support activities.

Senior Leadership Team

The current senior leadership team consists of six staff:

Martyn Owen	Headteacher
Patricia Bowler	Deputy Headteacher
Rebecca Somes	Deputy Headteacher
Hazel Boyce	Assistant Headteacher
Robin Whyman	Assistant Headteacher

School Day

The school operates a 25 period week. Lessons are one hour in length. Three periods are taught in the morning and two in the afternoon. Registration starts at 8.40 a.m. and students finish school at 3.00 p.m. Staff must be on site by 8.30 a.m. We have a regular briefing for staff on Mondays and Wednesdays with additional meetings normally taking place on Tuesday Evenings.
