

Head of Subject: English and Drama

ENGLISH AND DRAMA DEPARTMENT

Permanent Full Time September 2017

Current Payscale and TLR 2 (£5,276)

As the result of an internal promotion, we are seeking to appoint an outstanding middle leader, ideally with English as their specialism, or possibly with Drama as a specialism and English as a second subject. Our team are highly motivated, hard-working and hugely collaborative; we already have some highly effective structures in place and are looking for someone to lead us forward and support our work so that our student progress and achievement across the board is outstanding. The post requires someone who has already begun their leadership journey and therefore has some experience in driving improvement. The successful candidate will be fully supported in developing their leadership skills and will need to be a role model in terms of their teaching, learning and assessment practice. An individually tailored timetable will be created for the successful candidate, allowing for curriculum development time and to allow for the implementation of new strategies. The successful candidate will be expected to work closely with the SLT link (English and Drama) to further improve curriculum, progress and achievement for all across the department.

Suitability:

- The post would suit someone with at least 1 year of leadership experience.
- Evidence of consistently good/outstanding teaching and learning within the classroom.
- Evidence of results; progress and attainment across Key Stage Three and Key Stage Four.
